\* See exceptions starting on page 4

**CRITERIA**

Employees who are employed at Avenal State Prison, Calipatria State Prison, Centinela State Prison, Chuckawalla Valley State Prison, High Desert State Prison, Ironwood State Prison, Pelican Bay State Prison, or California Correctional Center shall be eligible for this differential, payable within 30 days following the completion of the required qualifying pay periods.

**Bargaining Unit 06 and Related Excluded Classifications**

- Effective June 1, 2016, employees shall be eligible for this differential payable in semi-annual payments of one half (\$1300) after completion of the first six consecutive qualifying pay periods at the institution and the second half after the completion of an additional six consecutive qualifying pay periods. Thereafter, the employee would be eligible for the incentive every six consecutive qualifying pay periods. Payment will occur in the pay period following completion of the six-month period.

**Remaining Bargaining Units and Excluded classes**

- Shall be eligible for this differential payable within 30 days following the completion of every 12 consecutive qualifying pay periods

**All Facilities and CBIDs**

- If any employee voluntarily terminates, transfers, or is discharged prior to completing the required consecutive qualifying pay periods at the above referenced facilities, there will be no pro rata payment for those months served.
- If an employee moves from one eligible facility to another eligible facility without a break in service and within eligible classifications, qualifying consecutive pay periods at each location cumulate.
- The bonus may be prorated if the employee would have otherwise qualified if he/she had not died while employed in a facility which qualifies for the bonus.
- If an employee is mandatorily transferred by the department, he/she shall be eligible for a pro rata share for those months served.
- If any employee promotes to a different facility or department other than the above referenced facilities prior to completion of the required consecutive qualifying pay periods, there shall be no pro rata share for those months served.
- If an employee is granted a leave of absence, the employee will not accrue time towards the six consecutive qualifying pay periods, but the employee shall not be required to start the calculation of the six consecutive qualifying pay periods all over. For example, if an employee has worked two months at a qualifying institution, and then takes five months maternity leave, the employee will have only four additional consecutive qualifying pay periods before receiving the payment of \$1300.
- Part-time and intermittent employees shall receive a pro rata share of the recruitment and retention differential based on the total number of hours worked during the required consecutive qualifying pay periods.
- Effective November 1, 2011, the following shall apply to any rank-and-file employee impacted by realignment, in Bargaining Units 01, 03, 04, 11, 12, 13, 14, 15, 17, 19, and 20, within the Department of Corrections and Rehabilitation (CDCR) at the above referenced facilities, who is eligible for this Recruitment and Retention Differential and transfers via the layoff process as shown below:
  - a. If the employee transfers to a new classification or position in an institution covered by this Recruitment and Retention Differential, the employee shall continue to qualify for this Recruitment and Retention Differential without interruption and without a change in the eligibility date.

- b. If the employee transfers to a new classification or position in an institution not covered by the Recruitment and Retention Differential, he/she shall be eligible for a prorated share for those qualifying pay periods served.
- Effective November 1, 2011, any rank-and-file employee impacted by realignment in Bargaining Units 12, 13, and 18 within CDCR at the above referenced facilities, who currently receives this Recruitment and Retention Differential, and who demotes in lieu of layoff, shall be eligible for a prorated share of the differential for those qualifying pay periods served.
